Seller shall not be liable for a breach of this warranty regarding Services unless Buyer gives written notice of the defective Services, reasonably described, to Seller within ten (10) days from the date of service. Seller's warranty obligation regarding Services is limited to, as Seller's option and in its sole discretion, a) re-performance of the Services to the extent required to correct such defect, or b) refunding the amount paid for the specific Services which are in breach of the warranty. Any re-performance of Services will be warranted against defects in material or workmanship for the unexpired portion of the warranty applicable to the Services. Warranty claims must be filed by Buyer within the time period stated above.

This warranty applicable to Services will be voided if, in Seller's opinion, either: (a) the subject of any Services has been altered, repaired, or modified following commissioning/installation by Seller without the prior written agreement of the Seller; or (b) Buyer engaged, employed, or used a third party to commission or install Seller's equipment, or do corrective services, without Seller's prior written consent.

This warranty applicable to Services only applies to the original Buyer and original site where the work was performed and cannot be assigned to a different site or location, without the express written consent of the Seller. Notwithstanding this warranty will not apply to mobilization and logistics associated with the delivery of warranty at a 3rd party site.

Buyer Training

If Services to be provided by Seller include Buyer training, Buyer shall be responsible to select from its employees those trainees who possess the requisite technical skill, experience, and language fluency appropriate for comprehension of the training and associated training materials ("Attendees"). Training curriculums and associated materials are general in nature and are intended only to supplement Attendees' prior knowledge. Trainings do not replace Buyer's existing practices and procedures regarding equipment operation, safety, and maintenance. The equipment discussed during trainings and in training materials may differ from or may only partially represent the equipment which Buyer or its Attendees operate, service or maintain. It is Buyer's responsibility to ensure that Attendees shall not operate or work on or around any specific Buyer equipment without first familiarizing Attendees with all applicable safety, operating and maintenance instructions and procedures relating to Buyer's specific equipment. Seller makes no warranty or guarantee that Buyer's representatives who attend any training will

achieve any level of proficiency or ability to use the Goods or Services and ensuring that such individuals are capable of doing so safely and effectively is the sole and exclusive responsibility of Buyer. If requested by Buyer, Seller shall issue to Buyer's representatives certificates stating that they have attended the relevant training. Such certificate shall in no way certify the competency of the work of Buyer's representatives.

You hereby grant Seller an irrevocable, worldwide, perpetual, royalty-free license to use Your Feedback for any purpose whatsoever and waive any moral rights You may have in the Feedback. Seller is not obligated to use Your Feedback.

4. OWNERSHIP

Title to the Software and all copies thereof, but not the media on which the Software or copies may reside, shall remain with Seller or others from whom Seller has obtained a respective licensing right. Nothing in this Agreement grants, by implication, waiver, estoppel, or otherwise, to You or any third party any intellectual property rights or other right, title, or interest in or to the Software or any intellectual property rights embodied or contained therein.

Any legal suit, action, or proceeding arising out of or relating to this Agreement or the transaction contemplated hereby will be instituted in the court or board of jurisdiction under the CDA. 6. TERM AND TERMINATION

For Software that is provided without time restriction the license granted herein is effective until otherwise terminated.

For Subscription Software, the license granted herein is only effective for the period defined in a quotation, purchase order, or product description, after which the license will expire.

Seller may terminate Your license to Beta Software at any time.

Any license may be terminated by Seller if You (1) fail to pay any amount for the Software, Goods, or Services when due, or (2) fail to comply with any term or condition and such failure is not remedied within fifteen (15) days after notice from Seller. Upon expiration or termination by either party of any license including Beta Software, You shall return to Seller or destroy, the Software and all associated documentation, together with all copies in any form and certify such destruction in writing.

Important Note: upon expiration or termination of Subscription Software, You may lose access to Your data stored by the Software. SELLER HAS NO OBLIGATION OR LIABILITY FOR ANY LOSS, ALTERATION, DESTRUCTION, DAMAGE, CORRUPTION, OR RECOVERY OF YOUR DATA CAUSED BY SUCH TERMINATION.

IF YOU TRANSFER, DISTRIBUTE, OR OTHERWISE MAKE AVAILABLE ANY COPY, MODIFICATION, OR MERGED PORTION OF THE SOFTWARE WITHOUT THE EXPRESS PERMISSION OF THESE TERMS AND CONDITIONS OR PRIOR WRITTEN CONSENT OF SELLER, YOUR LICENSE WILL BE IMMEDIATELY AND AUTOMATICALLY TERMINATED.
